A Look Back at 2019:

- Three very well attended dressage shows

- Three jumping clinics - gymnastics, eventing and an intro to hunter derbies.
- Sponsored two Gilbertsville Horse Shows Combined Training Competitions.
- Sponsored three Carriage House Arena Horse Trials.
- Sponsored Spruce Valley Stables Dressage at the NY State Fair Coliseum.
- Providing educational presentations on Nutrition, Dentistry, and Forage to name a few.

We also want to acknowledge and express our appreciation for our generous, hard-working and good-natured volunteers without whom none of these activities would be possible.

Volunteer Recognition

We would like to take a moment to thank everyone who has volunteered in any way this past year. Volunteers can be anyone from a Show Manager, to the stranger who got you water while you were scribing. No action is too small when you are helping to lighten someone else's load or taking on a task solo, we appreciate everything you offer. We are a volunteer run organization and we depend on volunteers like you to make all the fun possible. We hope that you continue to volunteer your time to help make the events you dream of a reality. We are all part of this community. May we all support and encourage one another's ambitions.

Thank You for your support!

About Daniel Stewart

Daniel Stewart has been an equestrian for over thirty-five years and has coached riders all over the world for the past twenty-five. Combining his knowledge as an equestrian with a degree in physical education, he created an empowering and inspiring clinic series that helps riders develop equally strong minds and bodies. As the internationally acclaimed author of *Pressure Proof Your Riding*, *Ride Right*, and *Fit and Focused in 52*; he's widely considered one of the world's leading experts on equestrian sport psychology, athletics, and performance.

He teaches clinics and seminars to thousands of riders each year including an annual summer clinic-tour that includes 50 clinics in more than 30 cities over a span of 60 days. He's a sought-after keynote speaker, has published countless magazine articles, and is an equestrian sport psychology and rider fitness contributor for many other equestrian associations.

When not teaching jumping, cross-country, and dressage clinics; he runs four-day Equestrian Athlete Training Camps at various colleges, boarding schools, and athlete training centers around the country. He also produces weekly mental coaching, rider fitness, and instructor videos for riders of all levels, ages, and disciplines.

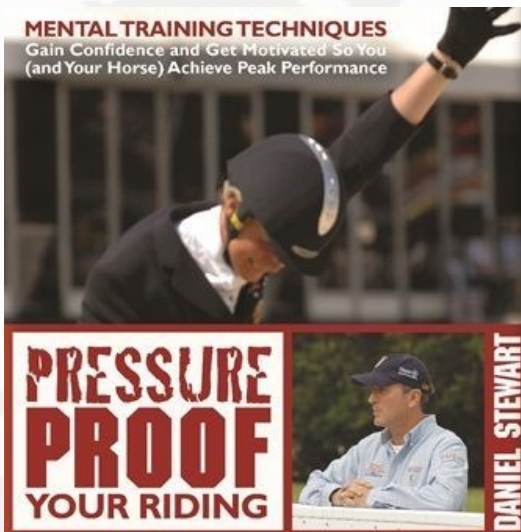

Please Welcome our Guest Speaker:

Coach Daniel Stewart

In addition to being our guest speaker today, this weekend CNYD&CTA is hosting one of Coach Daniel Stewart's wonderfully challenging, enjoyable and fast-paced series of unique mounted clinics designed to teach everyone how to increase their mounted confidence, courage and concentration by decreasing doubt, distractions and dwelling on mistakes – not to mention show-jitters, overthinking, perfectionism and more.

The clinic started early this morning at Spruce Valley Stables in Erieville NY. The clinic continues tomorrow at 9am, we hope you can join us for auditing!

(CNYD&CTA) is a non-profit, tax exempt 501(c)(3) organization whose purpose is to foster an interest in dressage and eventing among likeminded equestrians. Our goals are to promote dressage and eventing as art and sport through competitions, clinics and educational activities.

CNYD&CTA hosts dressage schooling shows each year as a means to develop and evaluate the progress of horse and rider. In addition, eventing schooling competitions are sponsored to improve these related horse and rider skills.
